

About Kansas City

Known for its world-famous barbecue, Kansas City is the 29th most populated city in the US. The city is filled with jazz, delicious food, and a large array of people from all walks of life.

Named after the Kansa Native Americans, Kansas is home to Dorothy from the Wizard of Oz, and as seen in the film it's famous for its horrendous tornadoes. So many tornadoes in fact, that its nickname is 'Tornado Alley'.

The city itself is located on the western edge of Missouri, it straddles the border with Kansas making it a city within 2 separate states. This makes Kansas City unique, allowing its residents to live in the same city but from different states.

Regardless of what side of the city you visit, you'll find that the residents are passionate about their sports teams such as the NFL's Kansas City Chiefs, and MLB team the KC Royals. The passion isn't just for sports however, Kansas City was also home to jazz musicians such as Charlie ``Bird'' Parker, and Big Joe Turner giving it a strong tie to music as well.

Kansas City houses musical attractions such as the jazz district and the American Jazz Museum, allowing visitors to take a trip back in time and experience a one-of-a-kind musical experience.

Baby Shower Options in Kansas City

Baby showers are a time filled with excitement, emotions, and memories. Hiring some professional help to handle some of the details can help make the party run smoothly, all while relieving some of the stress off yourself.

- **Decorators**

A professional decorator will take it upon themselves to turn your baby shower into a dream come true. Hiring a decorator to handle things such as wall decor, table decorations, and theme-based parties can help make your party memorable.

- **Florists**

Flower arrangements can fill the room with an aroma that is welcoming and relaxing. Having a florist that works with your theme can transform your event

into something that is not only visually pleasing but creates an atmosphere that's easy-going and relaxing.

- **Videographers**

What better way to look back on the special occasion than with a live video? Having a videographer there to record all the magical moments is a sure way to never miss a moment when taking a trip down memory lane.

- **Equipment Rentals**

Worrying about things such as sound systems, tables, chairs, and all the miscellaneous things that go into a party can be overwhelming alone. With an equipment rental company they can do the work for you, with options such as delivery and set up, this can take a lot of the weight off your shoulders.

- **Caterers**

One of the staples of any good party is the food, and a baby shower is no different. Having a selection of food that appeals to your guests is a crucial part of any successful event or function.

- **Entertainment**

Although not a necessity, hiring some outside entertainment for your guests can send your party over the top. Live entertainment is an enjoyable, and memorable way to keep people entertained during any event.

Pros and Cons of Having a Baby Shower in Kansas City

Pros

- **Famous Food**

With its world-famous barbeque, Kansas City offers some of the best food for those that love a tangy, sweet, or hot variation of this classic dish.

- **Music Scene**

With its rich history in the jazz scene, the city offers plenty of shows and concerts to satisfy any music lover.

- **History**

You never know what treasures can be found inside one of the city's many antique stores. As a famous midwest destination, Kansas City offers everything from a jazz museum, to a WWI museum.

- **Local Sports**

For the sports fans Kansas City has a deep connection with their sports teams. From the NFL to the MLB, the city is well known for its enthusiastic sports culture.

- **Midwest People**

The people of Kansas City tend to be the friendly midwestern type, happy to lend a helping hand to strangers and neighbors alike.

Cons

- **Long Commutes**

The city is sprawled out making it difficult to walk from location to location on foot, making it a longer commute when going from one place to another.

- **Nightlife is Scarce**

If you're looking to go out to a nightclub or other nightly adventure, Kansas City doesn't leave you with many options with most places closing early.

- **Humid Summers**

Hot, sticky summers make it difficult to stay outdoors for an extended amount of time. Between the heat and humidity, summers can be unbearably hot and uncomfortable.

- **City Planning Issues**

Residential and commercial seem to be one in the same, zoning issues can make it confusing and even frustrating when trying to navigate the city.

- **Airport Travel**

If flying in or out of Kansas City, you'll probably notice that the airport isn't easily accessible or convenient. An out-of-the-way location can make getting to or from the airport a hassle.

Famous Baby Shower Locations in Kansas City

As isolated as it is from other major cities, Kansas City offers some unique, and one-of-a-kind attractions that can make planning some fun an easy task. From historical sites to wildlife and rollercoasters, Kansas City has entertainment for the whole family.

- **Worlds Of Fun**

If adventure is what you're seeking, Worlds Of Fun offers more than enough high-flying, adrenaline-pumping rides to satisfy your wild side.

- **National WWI Museum and Memorial**

For those into history, the National WWI Museum and Memorial is an educational, and informative trip into the past.

- **Kansas City Zoo**

Fun for kids and adults alike, the Kansas City Zoo offers visitors a chance to see wildlife from around the world up close and first hand.
