

## About Knoxville

A short drive to the great smoky mountains, home to the University of Tennessee, and fine dining from well-known chefs make Knoxville a one-of-a-kind experience. Known as the gateway to the great smoky mountains, Knoxville is a quick 45-minute drive to the national park where visitors can enjoy the great outdoors, and beautiful scenery.

With 150 official hiking trails totaling roughly 800 miles, the mountains near Knoxville have plenty to offer. If hiking isn't your adventure of choice the national park also offers visitors camping and white-water rafting, as a part of the Appalachian mountains the park has something for every outdoor enthusiast.

The city itself is home to the University of Tennessee, with a \$1.7 billion dollar impact on the local economy, it is a staple for the city. The Knoxville locals are also some of the most devoted football fans in the nation, creating a strong bond between the people who come together to cheer on their home teams.

Knoxville's reputation for becoming a food city is on the rise, home to some award-winning chefs such as James Beard, Joseph Lenn, and J.C Holdway. With the talent of these chefs and their restaurants, the city is quickly becoming a popular destination for food lovers.

With entertainment both indoors and out combined with the restaurants and southern vibe, Knoxville is a city that can host and entertain visitors and locals alike. Having so many options makes the city a popular choice to host parties and events, everything from corporate meetings, to weddings and baby showers.

## Baby Shower Options in Knoxville

Hosting a baby shower is a special and exciting time, and making sure that everything is set and ready to go before guests arrive can be a daunting task. Thankfully there are professional companies ready to help with everything from food, to karaoke machines.

- **Equipment Rentals**  
From tables and chairs to stages and lighting, an equipment rental professional can help get the stuff to make any party or event run smoothly.
- **Caterers**

**Buddy's Bar-B-Q** has been serving BBQ in Tennessee for over 49 years. With their experience and unique menu options, Buddy's is sure to be a hit at any event.

- **Florists**

With the ability to fill the room with a beautiful aroma, flower arrangements can help add some extra color to your baby shower. A professional florist is capable of delivering a large variety of colors and beauty to any party.

- **Decorators**

Able to transform just about any space or room into something special, professional decorators excel at making your vision come to life. Whether themed, casual, or professional, a decorator can provide the look and feel your event needs.

- **Photographers**

Baby showers are a special time for everyone, having a photographer at the function gives people a way to look back years to come and relive the moment.

- **Venue Selection**

Some venues offer unique and entertaining spaces to host your event, others may offer a full-service package that includes everything from food, to decorations and equipment.

## **Event Planning Companies in Knoxville**

- **Lindsey Mae Events & Designs**

As one of the top-rated event planners and decorators in Knoxville, Lindsey Mae is known for creating Pinterest-worthy events that exceed the client's expectations.

- **Event Shop**

With a committed team of expert planners dedicated to each event, Event Shop ensures that every detail for any event is executed professionally and on time. Giving them the reputation of being one of the top-rated event planners in Knoxville.

- **Pop Event Co.**

With two locations and its own venue, Pop is a full-service event planning company that can cover it all. From baby showers and weddings to large-scale

corporate events, their success and professionalism are well known throughout Tennessee.

- **Bradford Catered Events**

One of Knoxville's premier catering and special events companies, Bradford is an all-in-one stop for anything event-related. Having 30 years of experience makes them a knowledgeable and dependable event company that has a professional reputation within Knoxville.

## **Pros and Cons of Having a Baby Shower in Knoxville**

### **Pros**

- **Entertainment for All**

Hiking, camping, shopping, and award-winning restaurants. Anyone can find something to keep themselves entertained within the city or the nearby mountain range.

- **Downtown Transportation**

The downtown area offers free public transportation such as trolleys to get visitors and locals to and from with ease.

- **Food**

As an upcoming hotspot for unique restaurants and chefs, Knoxville offers a variety of award-winning dishes ranging from BBQ to delicacies.

- **Knoxville Locals**

The locals are known to be extremely open and friendly, making visitors feel welcomed and at ease.

- **Arts Culture**

From music to museums, Knoxville has plenty to offer those who wish to explore the southern culture and its history.

### **Cons**

- **Heavy Traffic**

With its rapid growth and popularity, Knoxville is quickly becoming a city struggling to keep up with the number of cars on the road, causing traffic jams and delayed commutes.

- **Rapid Population growth**

As it rises in popularity, the influx of people moving to the city has increased dramatically. Causing problems with traffic, venue spacing, and an increase in prices.

- **Severe Weather Can Be an Issue**

If you're trying to plan an outdoor event or hike, make sure you check the weather ahead of time. The extreme heat can make for an uncomfortable experience while outdoors.

- **Pollen & Allergies**

Known to be an allergy hotspot, Knoxville has pollen-laden air that will irritate, and wreak havoc on those with allergies.

- **Humidity**

If the blazing sun isn't hot enough, add in an extreme humidity rating. The humid climate causes the summer heat to be heavy and sticky, bothering those who are uncomfortable in the heat.

## **Famous Baby Shower Locations in Knoxville**

Whether you're in town for a baby shower, family reunion, or just visiting for fun, Knoxville has places that can be entertaining and engaging for all age groups.

- **Sunsphere**

Located in central Knoxville, the sunsphere is a landmark tower that offers visitors a chance to view the city from above. Having observation decks, and a nearby picnic area it gives a unique view of the historic city.

- **Zoo Knoxville**

Like most Zoo's you'll be able to see your favorite animals up close, however, Zoo Knoxville has a focus on educating its visitors about the animals and their habitats, not just observing them.

- **Ijams Nature Center**

A popular outdoor attraction, the Ijams Nature Center is a wetland that offers visitors plenty of hiking, climbing, and outdoor adventure.
