

Louisville-KY Weddings

About Louisville

Sitting along the Ohio River near the Indiana border, Louisville is the largest city in Kentucky. With its diverse culture and one-of-a-kind attractions, it is known for events such as the Kentucky Derby which is one of the most famous horse races in the world. Visitors can explore the past and history of the race while visiting the Kentucky Derby Museum, a large exhibit that celebrates the sport's past and upcoming within the state. Other attractions such as the Louisville Slugger Museum & Factory is where all the bats used in Major League baseball are produced, it can be a fantastic way to learn about the history of baseball and witness firsthand the production of thousands of bats.

For the more adventurous folks, the Waverly Hills Sanatorium offers spooky tours of one of the most infamously haunted hospitals in all of the United States. The hospital opened in 1910 and closed its doors in 1961, it is considered by many paranormal enthusiasts to be one of the most haunted places in the world with frequent ghost sightings and unexplainable things happening within its walls. With its gothic style architecture and beauty, the hospital mirrors many of the city's top venue attractions available for events such as weddings, corporate functions, and family reunions. Louisville's rich history and natural beauty make for a great location to gather with friends and family, from large to small, the city has what it takes to accommodate and host any event or occasion.

Wedding Options in Louisville

Some of the most crucial aspects of hosting any event can be professionally hired to ensure the party is a success. From having the right food to themed decorations and equipment, outside help throughout Louisville can be found ready to help make any size event one to remember.

- **Caterer**
Available in a variety of styles, caterers have the ability to bring unique dishes and traditional favorites to any event that will delight and keep guests fed.
- **Decorator**
Designing custom spaces to match any occasion, a professional decorator can take a plain space and make it magical. From themed parties to elegant

weddings and business functions, decorators can provide the services needed to bring a venue to life.

- **Florist**

Flowers that are colorful and easy on the eye can add the extra touch of beauty needed to elevate any function to the next level. Available in an array of sizes and colors, florists can bring beautiful eye-catching arrangements to any space.

- **Equipment Rentals**

Few people can dance non-stop, most need to take a break from the dance floor and take a seat to catch their breath and rest their legs. Without chairs, tables, and other party necessities that an equipment rental company provides, the party will be missing some serious equipment.

- **Transportation**

Easy navigation from place to place and around the city, transportation companies such as black car services, taxis, and prearranged uber rides can eliminate the stress for guests unfamiliar with navigating an unknown city.

Event Planning Companies in Louisville

- **Events LLC**

No event is too big or too small when it comes to planning with Events LLC. Taking pride in offering packages for any occasion, Events LLC works with its clients to ensure every detail is executed flawlessly.

elegant and traditional weddings to large corporate events, no occasion is too big or small for them to tackle.

Pros and Cons of Having a Wedding in Louisville

Pros

- **Centralized Location**
With its centralized location, Louisville makes traveling around the rest of the United States simple with access to major highways and airports close by.
- **Endless Outdoor Adventure**
Hunting, camping, hiking, biking, kayaking, and more, the outdoor adventures available in the Louisville area and across Kentucky are seemingly limitless.
- **Unique Drinks & Food**
Well known for its barbecue and its bourbon, Louisville is a part of the bourbon trail offering unique and one-of-a-kind drinks as well as local twists on traditional favorite food dishes.
- **Distinct Seasons**
Due to its location, the entire state of Kentucky gets to experience a complete season cycle that is actually noticeable. Unlike many regions, distinct fall, spring, summer, and winter seasons stick around long enough to enjoy.

Cons

- **Pollution Issues**
Factories and heavy commuters all contribute to the increasing pollution problem around the world, between Louisville traffic and factories, pollution continues to be a battle.
- **Weather Can be Frightening**
Just as some seasons can be mild and perfect, others can be extreme. Hot sticky humid summers and freezing winters can make some visitors and residents uncomfortable.
- **Limited Shopping Experience**

Compare Louisville to other major cities and it seems to lack a unique shopping experience. Major chain stores are the main go-to for much of Kentucky which leaves visitors with a lackluster shopping experience.

- **Wildlife On The Roadways**

The beautiful forests and woodlands of Kentucky come at the cost of wildlife. Deers and other wild animals are a common sight to see along the roadways due while traveling all throughout the state.

Famous Wedding Locations in Louisville

Famous horse racing, outdoor adventure, and haunted hospitals are a few of the things visitors can expect while visiting Louisville. With something to accommodate any age, finding entertainment for the entire family is a breeze.

- **Churchill Downs**

The legendary horse track that is known throughout the world, this famous location has been featured in Hollywood films and numerous tv shows.

- **Louisville Slugger Museum & Factory**

The official bat producer for major league baseball, this museum and factory give visitors a chance to learn about the sports roots as well as the production of professional-grade baseball bats.

- **The Waverly Hills Sanatorium**

One of America's most haunted locations, the sanatorium has been featured on paranormal tv shows such as ghost hunters and offers visitors guided tours to experience the unknown for themselves.
